

RUSH NURSERY SCHOOL

February 2019

Dear Parents,

Hopefully you have been enjoying the “snowy pictures” your child has been bringing home. We have begun using a name chart in our room. We also have names above each hook that the children use to hang their things on. Each day when your child arrives at school they find their name and hang their coat and bag up. They are doing a wonderful job recognizing their names! We have some children who are recognizing their last names as well.

We will be going on a field trip to Ontario Play and Café on **February 4th and 5th**. The M/W/F AM and PM class will meet Monday at 10:00 and the T/Th/F AM and PM classes will meet on Tuesday at 10:00. The field trip will give the children a chance to run around. It is always a fun day.

We will be having a shape day this month. **February 11th and February 12th** will be “**heart day**”. Please send your child to school with something shaped like a heart. This could be a cookie cutter, a paper heart, or an article of clothing with a heart shape on it, etc. The children will show and tell about the heart they bring to school.

We will celebrate **Valentine’s Day** on **February 13 and 14th**. We will exchange Valentine’s at school. Please sign the cards (or have your child sign), but **address the Valentine to “My Friend.”** This makes it much easier for the children to deliver them. We have 16 children in our Monday/Wednesday AM class and 9 children in our PM class. The Tuesday/Thursday AM class has 16 children and the PM class has 13 children. The children always enjoy giving their friends valentines.

During February we will talk about feelings, friends and caring for others. The books, songs and activities during the month of February will

all be about this. This works in nicely with Valentine's Day. Our theme for the last week of February will be dinosaurs! We are looking forward to lots of dinosaur fun!! We have lots of friends that love dinosaurs.

Thank you all for being so supportive and sharing your children. RNS is a great place to be because of all of you!

Songs

Feelings (Tune of “Twinkle, Twinkle Little Star”)

Sometimes on my face you’ll see,
How I feel inside of me.
A smile means happy, frown means sad,
And when I grit my teeth I’m mad.
When I’m proud, I beam and glow,
And when I’m shy my head hangs low.

I Love You (Tune of “This Old Man”)

I love you, you love me;
We’re as happy as can be!
Here’s a great big hug,
And a kiss from me to you.
Won’t you say you love me too?
