March Newsletter 2019
Kirstin O'Connell and Karen Hart

Dear Parents,

It is truly hard to believe that spring is almost here. We love the snow, but also love the spring. We will be watching for the signs of spring's arrival. March winds, changeable weather, and signs of growing will be observed and discussed. The children will discuss the changing weather each day during their morning/afternoon meeting.

March is a long month, but there are a lot of fun events to look forward to along the way. March 5th is our Open House and Art Show. March 15th please have your child wear something green for our St. Patrick's Day celebration. Then March will end with many discussions about the arrival of Spring. The children will all be getting excited about our next field trip on April 3rd to the Rochester Museum and Science Center. Then Spring break is the third week of April.

The children still love to go outside, even if it is just for a short time. Please continue to send in warm clothes each day that the temperature is expected to get above 30 degrees.

As always, if you have any questions or concerns regarding your child or school, please feel free to contact us.

Thank you.

7th – Easter Egg Hunt – 4PM

12th-19th Spring Recess

SONGS/FINGERPLAYS

Five Little Leprechauns

Five little leprechauns, playing in the sun.

The first one said, "Oh, my! We're having fun!"

The second one said, "We need to spread some joy!"

The third one said, "Let's find some girls and boys."

The fourth one said, "There's gold to be found!"

The fifth one said, "Let's all look around!"

Then out came a rainbow, shining bright and bold.

So five little leprechauns ran to find some gold!

Five Teddy Bears

One little teddy bear, finding things to do.

Along came another, then there were two.

Two busy teddy bears climbing up to see.

Along came another, then there were three.

Three lively teddy bears liked to explore.

Along came another, then there were four.

Four hungry teddy bears, eating honey from a hive.

Along came another, then there were five.

Five tired teddy bears had fun today.

They'll be back tomorrow, and you can see them play.
