

Hello everyone,

Happy Sunday! I hope all of you are enjoying this weekend. My daughter graduated from college yesterday. It was a beautiful day and ceremony. It was just yesterday that she was graduating from RNS. It is truly unbelievable. As I say many times, enjoy each moment of your children's lives! It really does go so fast.

The children seem to have had a lot of fun on the field trip Wednesday. They did such a wonderful job on the bus and at the Show 😊

On Monday, the Firemen will be visiting us. The students will learn about fire safety, how firemen are our friends, and hopefully be able to tour a fire truck and sit inside it. I will take pictures to let you know how they do.

We will meet Rocky R and Quarterback Q. The students will be making and completing a raccoon, a queen and other crafts and activities that go along with Q and R. To go along with the letter R, we will be opening a Restaurant. The children will also be making an apron on Wednesday.

Donna Payne will also be coming on Wednesday for our last music class 😊

I will be sending a separate email later today to set up times for Parent Conferences

Please remember about our Graduation. It will be on Tuesday, June 18th at Martin Road Park. The morning class will be from 10:30am-12:00pm and the afternoon class will be from 12:30pm-2:00pm. All family members can come. We will have a small ceremony and then all families can have picnic lunch together.

We have a busy week. I am hoping we can add going outside too. Please enjoy the rest of your weekend. I look forward to seeing those beautiful smiling little faces this week 😊

Take care,

Kirstin
