

Rush Nursery School
Planetarium Fieldtrip 2019

Dear Parents,

We are planning a field trip to the Strasenburgh Planetarium for our 4 year old and 5 year old classes. We will be seeing "Rotation and Revolution" this year. This is a new show being offered by the Planetarium. We have been told that it is a wonderful show for preschoolers.

In order for all of our 4 year old and 5 year old classes to have the opportunity to share this preschool program at the planetarium, we will be going in one large group, using a school bus for transportation. Many of the R.N.S. staff will go on the trip to provide supervision for the children.

The date of the trip is **Wednesday, May 15, 2019**. Please mark this date on your calendar. Our field trip will be from 9:10am until 11:30am
Drop-off and pick-up will be at R.N.S.

To help offset the cost of the bus trip, we ask that each RNS child bring \$7.00 and their permission slip in an envelope with his/her name on it. The UPK children do not have to pay. Please note that parents will not be allowed to purchase tickets at the door. We have a small amount of tickets that can be purchased through your child's teacher. There may be more tickets available upon request. That will depend on whether the show sells out.

Thank you,
Kirstin O'Connell (749-6166)
Karen Hart (734-1763)

My child _____ has my permission to go by bus to the Strasenburgh Planetarium on, Wednesday, May 15, 2019, with Rush Nursery School.
