

Hello families,

Mrs. Villone, Mrs. Gronemeyer and I hope that you all had a wonderful Thanksgiving with your families. I know that we are very thankful for all of you and for sharing your amazing children with us.

This week at school our lessons will shift to the upcoming holidays. On Monday and Tuesday, our project will be a gingerbread man. Normally we would hang the gingerbread men in our hallway in place of their stars. This year we will take a picture of our gingerbread men to post on the Class Dojo then send them home along with their stars for you to enjoy.

Wednesday and Thursday day will be green day. Please have your child wear or bring something green on this day. Each child will have a chance to share what they brought with the class. It is a great way for them to practice listening and waiting their turn while also speaking in front of the group. Our project this day be a shape and number tree.

The Friday afternoon class will be making a tree ornament.

I look forward to seeing everyone soon!

Joan
