

Hello!

The photographer will be in the building on Thursday. Each child will be able to have an individual picture taken and a composite will be made of our class. Instructions on how to order pictures were sent home last week. Let me know if you need a form. I know a few children were absent and I have those ready for you this week. We will not be using paint on picture day. This way, if you want your child to wear a special outfit it should be safe.

This week we will focus on the color Orange. We will make two fun ORANGE projects this week.

Our Helpers this week:

Tuesday – Mahalia

Thursday - Akira

Valentine's Day is quickly coming. If you choose to send in Valentine's PLEASE do not fill in the "To:" spot. Just sign the "From:" spot. This makes it much easier for your children to deliver their valentines to the other children in our class. Giving Valentines is optional. We will have our Valentine's celebration on Tuesday, February 14th. There are 10 students in this class (including your child) and three teachers. (Mrs. Hart, Mrs. Favro and Ms. Jordyn). You may drop off your completed Valentines this week if you have them done. Or bring them in the day of. We will hold on to them until our celebration on the 14th. Those children that do bring in Valentines will be given the opportunity to deliver their valentines to their friends during class on the 14th. Everything will be sent home for you to open with your child.

A song we will sing this week:

Little Red Valentine (to Skip to My Lou)

Little Red Valentine, I love you!

Little Red Valentine, I love you!

Little Red Valentine, I love you!

The Orange one says "I love you too!"

Repeat over and over while students identify all colors of the valentines.

Tuesday we will be having Library. Please look around your home and return any library books you find on Tuesday. Thanks!
