

Hello,

Last week sure was fun. I hope everyone enjoyed our field trip and Spirit week. It was great to see so many participate!

Happy February! It's unbelievable that February begins Wednesday. Our Valentine's Day celebration is Monday, February 13th. If you choose to participate, we will be delivering Valentine's to each other during our celebration. Sending in Valentine's for the class is optional. If you choose to send in Valentine's PLEASE do not fill in the "To:" spot. Just have the children sign the "From:" spot. They could write "To my friend" if you want to challenge them. This is GREAT practice for writing their name. **There are 12 students in this class (including your child) and 2 teachers (Mrs. Hart and Mrs. Favro).** Feel free to send them in early if you have them done. We will hold on to them until the 13<sup>th</sup>. Everything will be sent home for you to open with your child on Valentine's Day.

This week we will review the last 7 letters we have covered: G,N,Q,R,W,Y & Z  
And we will spend a lot of time discussing Groundhog's Day  
Number: 5 (5 toes)

Our helpers this week will be:

Monday – Quinn

Wednesday - \*\*Madilyn

Friday – Logan

We never had the opportunity to celebrate Madilyn's ½ birthday so we are going to try again. Happy 4 ½ birthday Madi!

We will continue our quest to learn to identify letters, numbers, colors and shapes, first & last name, address, etc... For a valentine theme activity, hide hearts all over the house with letters or numbers on them. A scavenger hunt to find the letters is always fun.

On Monday we will make a groundhog's day prediction, talk about shadows and go to gym, library and exchange our activity kits. On Wednesday we will make a groundhog puppet and complete the February Calendar page. Also, we will be making a painted footprint of your child for our number book. **Please do not send your daughter in tights on Wednesday.** Thank you for your support! Friday we will make a review project.

Please look around your home and return any library books and activity packets on Monday. Thanks!
