

Happy Sunday!

It seems like the Lion weather is going to win out this month. The children are really doing a wonderful job with the math we use each day to keep track of Lion and Lamb days:)

This week we will be meeting Alphabuddy Elizabeth E and Freddy F. I will be sending home Google Slides to review letters E and F. We will have a few activities to correlate with those letters.

The rest of the week will be about Easter. Some activities the children will do is make an Egg Bunny, a Bunny mask, play Easter Bingo, color eggs, and go on an egg

hunt. On Friday, the children will bring home an Easter basket. It will be filled with fun Easter items:)

That is all for me. Thank you so much for sharing your loving children. They bring a smile with them each day and the friendships that have been developed in class are awesome. Your children have truly grown so much this year:)

Take care,

Kirstin
