

Good afternoon everyone,

It was so good to meet all of you and your children this week! They are already adjusting to our routine and making new friends. We are very proud of them and excited for this school year!

This week we will begin our apple theme. We will talk about how apples grow, what color apples are, the parts of the apple, all the things we can make from apples. We will also sing songs about apples and play apple counting and color games. The seasons change soon as well so we will begin to talk about all the changes that come with Fall. This is my absolute favorite time of year!

We have our first Scholastic Book order due on September 29th. Orders may be placed online at <https://clubs.scholastic.com/home>. From here you can enter our class code which is **RPPD7** to access flyers and place an order online. Books can be delivered to school or right to your home. I will typically submit an order monthly and it takes around 2 weeks for books to be delivered. There is no obligation to order but it is a fun and easy way to build your child's library while earning free stuff for our classroom.

Thank you for sending in your child's decorated star. If you have not done so already, please send in your child's star decorated with their name and picture. We use them to introduce each other to the class and they are so proud to show off their star. The stars will be hung in the hallway in our "Rainbow of Superstars". I will be sure to post a picture on Class Dojo 😊.

Please never hesitate to reach out to me with any questions or concerns you may have and we will see you soon!

Joan
727-4488

Important Dates:

September 29th – Scholastic Book order due

October 1st – RNS Stroll 11AM

October 10th and 11th – NO SCHOOL

October 16th and 19th – Wickham Farms field trip
