

Hello everyone,

Here is what we will be discussing this week:

Letter of the week – Zz
Number of the Week - 3

There is **NO SCHOOL ON MONDAY**. We will be jumping right back into our swing on Wednesday. We will be having gym and library this week on Wednesday. Please return your library books and Activity Packets on Wednesday.

Our Helpers this week will be:
Wednesday – **Warren ½ birthday
Friday - Ace

Your children began hanging their coat and bag under their last name last week. We will start to find their address as they enter the room. We greet each other during the morning meeting using their last name. Plus, the children made a mailbox project with their house number and reviewed their address. We ask that every parent begins talking about these items at home, in the car, etc. Thank you for your support in this. We will continue to practice this for quite a while. Hopefully, soon all my friends will have this mastered. Try posting their full name on their bedroom wall and practice pointing to each letter and saying its name EVERY DAY. Most friends will know about a 1/4 of the alphabet by learning the letters in their first and last name. Comment as you pull onto your road that you are turning onto _____ Street. Point to the number on the front of your house or on your mailbox. It helps the children want to learn if it becomes relevant to them.

This past week you should have found Scholastic Book order forms in your child's bag. Book orders are due by January 17th. My hope is that all books should be received by February. To place an order, go to:
