

Hello everyone,

Here is what we will be discussing this week:

Letter of the week – Yy and Zz
Number of the Week - 13

As always, we will have gym and library this week on Wednesday.

Your children are going to be challenged this week by finding their addresses as they enter the room. Please talk to you child about his address. As you turn onto your street comment about it and name your road. Point out the number on your house. Help them to see the relevance of what we are discussing. Tags with their last name have been changed to label where they hang their coat and bag. They all seem to recognize their address when it is called out. But not all can tell me their address when asked. We will continue to practice. We are also practicing greeting each other by last name during our beginning meeting.

This past week you should have found Scholastic Book order forms in your child's bag. Book orders are due by January 17th. My hope is that all books should be received by February. To place an order, go to:

<https://clubs.scholastic.com/>

Class code: H86Z2
