

Hello!

I cannot believe it is the last weekend of April. Wow!! How your little ones have grown.

\*\*I will be out of class on Thursday. I am adopting a new puppy and I could only get an appointment in the middle of the morning. Your children will be in great hands. Mrs. Favro will lead the class and Ms. Jordyn and Mrs. Stevens will assist. Thank you for understanding. My family is extremely excited for our new Chocolate Lab. We just can't decide on a name.

Our helpers this week are:

Tuesday – Wesley

Thursday – Evelyn

The last day of school will be our End of Year Celebration. This will take place on Thursday May 30th. Everyone is invited to attend. We do a quick ceremony in the room and then gather for a picnic lunch outside (if the weather cooperates) or in the gym if rains. The ceremony is short. The children will sing a few songs for the parents and then we will distribute certificates.

This week we will continue our unit based on "Old MacDonald had a farm". This week we will make two more animals to add to our farm- a duck and a dog. The children are continuing to have fun participating in songs and fingerplays. Another chant we have learned this year:

Clap, clap, clap your hands.

Clap them just like me.

(Repeat)

Tap, tap, tap your knees.

Tap them just like me.

(Repeat)

Stamp. Stamp, stamp your feet.

Stamp them just like me.

(Repeat)

We will have gym both days and library on Tuesday.

### **Calendar**

May 28 - Memorial Day Observed -No School

May 30 – End of year Event - The last day of school will be our End of Year Celebration. This will take place on Thursday May 30<sup>th</sup> 10:45-11:45 AM. Everyone is invited to attend. We do a quick ceremony in the room and then gather for a picnic lunch outside (if the weather cooperates) or in the gym if rains.

Mrs. Favro, Ms. Jordyn and I love our time with the twos! Thank you for sharing your children. The changes in our young friends are amazing. They are growing up!
