Dear Parents,

We cannot believe it is already April. The month of March went by so fast. In this month, we will be talking about Spring. Hopefully the weather will cooperate with some warm, sunny days. We hope to be able to take the children out to the playground often. They all love to play outside!

Spring brings many changes to the weather and becomes a bundle of activity outside after our long winter months. We will take time not only to discuss the changes in the weather, but to also watch for other signs of our new season such as flowers blooming, birds chirping, budding trees and greener grass.

We will have four theme weeks this month. We will start back after break with color week. For this week, we learn about rainbows and mixing colors to make other colors. Next, we will have shape week. During this week we will review our shapes but also have some more practice using scissors. Third we will have teddy bear week. We will have pajama day and read a book about a bear named Corduroy. And we will finish our month with the start of number week.

I will be finishing our evaluations this month as well. The completed evals will be sent home with your child. After evals have been sent home you may contact me if you wish to have a conference regarding your child's progress.

Mrs. Villone, Mrs. Gronemeyer, and I hope you all had a wonderful Spring recess with your families. Please feel free to contact me with any questions or concerns.

## Springtime! (Sung to the tune of “Do your Ears Hang Low?”)

Oh, you know it's Spring  
When the robins start to sing.  
Then the flowers grow,  
And you see the melting snow.  
Know what else I've seen?  
Everything is turning green!  
Yes, we know it's Spring!

## Five Green and Speckled Frogs

Verse 1

Five green and speckled frogs  
Sitting on a speckled log  
Eating the most delicious bugs  
Yum! Yum! Yum!  
One jumped into the pool  
Where it was nice and cool  
Now there are four speckled frogs  
Glub, glub!

Four green and speckled frogs...

## Baby Bumble Bee

I'm bringing home a baby bumble bee  
Won't my mommy be so proud of me  
I'm bringing home a baby bumble bee  
Ouch! He stung me!

I'm squashing up by baby bumble bee  
Won't my mommy be so proud of me  
I'm squashing up my baby bumble bee  
Uh oh. He's all over me!

I'm wiping off my baby bumble bee  
Won't my mommy be so proud of me  
I'm wiping off my baby bumble bee  
Now my mommy will be proud of me!
