**February 2025**

Dear Parents,

Hopefully you have been enjoying the projects your child has been bringing home. We have begun using a name chart in our room as well as finding their name above their hooks. They are doing a wonderful job recognizing their names!

On **February 8<sup>th</sup>**, at Rush Nursery School, we are having a class event called Someone Special Saturday. This is a time for a parent/guardian or other special adult to spend part of Saturday morning with their child at school. During this hour, the children will be able to show you what happens in our regular class time, complete a project and just play. It is a very special time for all that many of our young friends remember forever. Please only have one parent attend each session. Our schedule for this day will be as follows:

M/W am class - 9:00 am

T/Th am class - 10:00 am

All afternoon classes - 11:00 am

We will be having a shape day this month. **February 10<sup>th</sup>** and **February 11<sup>th</sup>** will be “**heart day**”. Please send your child to school with something shaped like a heart. This could be a cookie cutter, a paper heart, or an article of clothing with a heart shape on it, etc. The children will show and tell about the heart they bring to school.

We will celebrate **Valentine’s Day** on **February 12<sup>th</sup>, 13<sup>th</sup> and 14<sup>th</sup>**. We will exchange Valentine’s at school. Please sign the cards (or have your child sign), but **address the Valentine to “My Friend.”** This makes it much easier for the children to deliver them. We have 14 children in our Monday/Wednesday AM class and 10 children in our Monday/Wednesday/Friday PM class. Our Tuesday/Thursday AM class has 16 children and our Tuesday/Thursday PM class has 6. The children always enjoy giving their friends valentines!

During February we will talk about feelings, friends and caring for others. Our books, songs and activities will revolve around this theme. Our theme for the last week of February will be dinosaurs! We are looking forward to lots of dinosaur fun!!

## **Feelings** (Tune of “Twinkle, Twinkle Little Star”)

Sometimes on my face you'll see,  
How I feel inside of me.  
A smile means happy, frown means sad,  
And when I grit my teeth, I'm mad.  
When I'm proud, I beam and glow,  
And when I'm shy my head hangs low.

## **I Love You** (Tune of “This Old Man”)

I love you; you love me;  
We're as happy as can be!  
Here's a great big hug,  
And a kiss from me to you.  
Won't you say you love me too?

## **Five Crazy Dinosaurs**

Five crazy dinosaurs cleaning up the floor.  
One got swept away and then there were four.  
Four crazy dinosaurs chased by a bee.  
One got stung and then there were three.  
Three crazy dinosaurs playing with some glue.  
One got stuck and then there were two.  
Two crazy dinosaurs out for a run.  
One fell down and then there was one.  
One crazy dinosaur, acting like a hero,  
Went to save the others and then there were zero.
