<b>May &amp; June 2025</b>
----------------------------

Dear Parents,

I cannot believe that this will be our final newsletter of the year. Our school year is winding down and it seems like we just began. Time really does fly by when you are having fun. It has been a wonderful school year working with and getting to know your children.

May and June, we will talk about Mother's Day, planting, the transformation from caterpillar to butterfly, and frogs. We do not have class on **Monday May 26<sup>th</sup>** for Memorial Day and **Tuesday May 27<sup>th</sup>** only our 5-day class will meet.

**May 12<sup>th</sup> and 13<sup>th</sup>** we will have a visit from the Henrietta firefighters. They bring us important safety lessons that are essential for your child to know and understand. They will teach us the difference between tools and toys. They tell the children to never touch matches and lighters. They show the children all the special things they wear when fighting a fire. If it is a nice day, we will be able to see the fire trucks!

**May 14<sup>th</sup> and 15<sup>th</sup>** will be our last field trip of the year. We will visit Tinker Park where we will explore the nature center as well as walk a trail and look for all the signs of spring. This field trip will take place rain or shine so please be sure to dress for the weather!

**June 2<sup>nd</sup>** will be our final day of nursery school for our Monday/Wednesday and Monday/Wednesday/Friday class and **June 3<sup>rd</sup>** for our Tuesday/Thursday classes. This is our end of the year celebration. We are planning to welcome families to our school for a short program where the children will sing some of our favorite songs and receive their certificates. I will send more specific information regarding this soon.

I have finished evaluations for your children. Anyone who would like to schedule a conference to discuss their child's evaluation will have an opportunity to do so. More information will be sent soon.

It truly has been a rewarding, fun-filled year. Mrs. Villone and Ms. Lena join me in thanking you for being such kind, supportive parents and sharing your wonderful children with us. It has been a privilege watching them learn and grow. We wish you all a happy and fun filled summer!

### Five Little Fishies Swimming in the Sea

Verse 1

Five little fishies

Teasing Mr. Shark  
“You can’t catch me!”  
Along comes Mr. Shark  
As quiet as can be  
And SNAP!

Verse 2

Four little fishies...

Verse 3

Three little fishies...

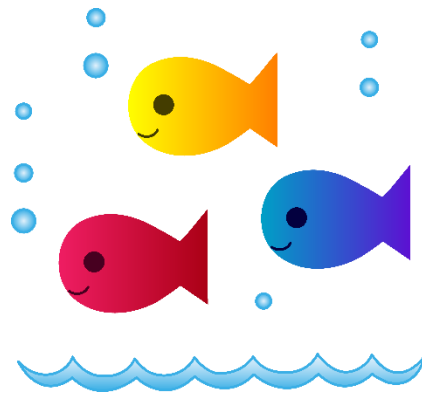

Verse 4

Two little fishies...

Verse 5

One little fish...

There’s no more fishies swimming in the sea!

### Friends

Make new friends  
But keep the old  
One is silver  
And the others gold.

A circle is round  
It has no end  
That’s how long  
I want to be your friend!
